Mail Stop Petition
 Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Sir:

The Applicants named in the above-referenced patent application hereby Petition under 37 CFR. § 1.137(b) to revive the patent application.

The above-referenced patent application went abandoned on October 20, 2005 for failure to respond to the Office Communication dated September 30, 2005, because the undersigned attorney believed that the due date of October 20, 2005 for response to the Communication mailed September 20, 2005 was extendible under 1.136(a) as was indicated in the Communication. On December 28, 2005 a Notice of Abandonment of this Application dated December 16, 2005 was received at King & Spalding, law firm for the Applicant.

The entire delay in prosecuting the application, from the due date for the response until the filing of a grantable petition pursuant to 37 C.F.R. § 1.137(b), was unintentional.

A required response (a Request for Continued Examination) to the Office Action dated February 7, 2005 is filed herewith. An Amendment and Response to Office Action was previously mailed on August 3, 2005. A Terminal Disclaimer is not required.
